CORPORATE CULTURE

Our vision: to be the first of Chinese Wooden Door
Our mission: to offer the high-quality door and create a lovely life
Our spirit: profession and excellence
Our style: rapid response, immediate action

Our values: serve customers, staff achievement, passion to company
Serve customers: committed to both satisfaction and approval of customers
Staff achievement: to build up a larger platform to make the dreams come true
Passion to company: to make our dreams come true

The key philosophy
Development concept: innovation and pursuit of excellence
Management concept: Everything is subject to the market and customers
Quality Concept: Attention to details, pursuit of excellence
Service concept: Customers first
Brand concept: Quality makes for brand, and brand creates more value
Work concept: Only action for success, no excuse for failure
Team concept: Thinking and working hard together
Employment mechanism: Position first, skill second
Implement philosophy: All are equal in the sight of stipulation

CONCENTRATION TO BE BETTER

Spring moon under contracted style,
Pure and refined life.
Unfiltered spring the sunrise light is aspersed,
The flavor of life,
Like the taste of cherry early out of the window.
I won't miss this one season,
Because I have a door that can reflect the life.
